

CODEX: SPACE WOLVES

VERSION 1.0

These documents collect amendments to the rules and present our responses to players' frequently asked questions. Often these amendments are updates necessitated by new releases or community feedback. At other times, these amendments are errata designed to correct mistakes or add clarity to a rule that is not as clear as it might be. **New or revised text is presented in red**, with a **text highlight applied to revisions made previously** (excluding passages that were added or replaced in full).
