

# BOARDING ACTIONS COMPANION

VERSION 1.1

This document is designed to accompany *Warhammer 40,000: Boarding Actions* to keep the player experience as streamlined and up-to-date as possible. Over time this may include rules updates and answers to frequently asked questions, and any other resources that support this mode of play. New and revised entries will be **marked in red**.

## UPDATES & ERRATA

### Page 29 – Mustering Your Boarding Patrol, Select Units step

Add the following:

‘If the mustering rules for your Detachment allow you to take a unit at a size that is not in the Munitorum Field Manual and there is an entry for it at twice that size, the smaller unit’s points value is half that of the larger unit’s (rounding up).’
